- Flash Mobs
- Installations

We are always open to new ideas!

## DOLLY WORKSHOPS & EVENTS ARE DESIGNED TO:

- Raise awareness of the role our clothing plays in the climate crisis
- Teach new skills
- Promote and teach Creative Arts
- Enable community outreach
- Help your business build a sustainable community
- Inspire teamwork
- Promote body positivity
- Push people out of their comfort zone
- Empower people to be the change

Our events provide participants with the initiative to be the change whilst having fun doing it!  
The DOLLY team and I look forward to joining forces with you and becoming part of the fashion revolution.

Please feel free to get in touch about fees and dates if you'd us to come and work with you.
